## **PUBLIC FORUM**

There was one member of the public present which the following questions/short statements were made during the time allocated.

- Asked if the Parish Council knew that the rumour of the new development being put on the main drains system was true?  
The reply was given that no information had been received to confirm this fact.
- The question was raised about what the Parish Council are doing about the cars parked on the corner of Chapel Lane?  
It was conveyed that the Parish Council had spoken with the resident concerned and involved the police in this matter, which the information that was relayed back that improvements were being done on the property and the area where a car could be parked was being currently used for storage, until the work was completed the cars will remain parked on the corner of Chapel Lane.
- An enquiry was asked if the Parish Council knew if anything was being done by Planning Enforcement in regards to the development occurring at the lakes.  
No information was known, and it was addressed to the resident to contact the enforcement team directly themselves regarding this enquiry and pass on their information to obtain a more direct answer.
