PUBLIC FORUM

There was one member of the public present of which the following questions/short statements were made.

- Could the approve minutes be displayed in the noticeboard as not everyone has internet access?
- Since work done by cable company leading to the Church, large agricultural vehicles are mounting the footpaths and thereby damaging them along with leaving debris from verges.

Cllr Spencer stated about LCC Fix my Street on their webpage about reporting any issues and the more people that relay the same matter may encourage work to be looked into and rectified.

Other issues raised:

- Footpath from Linkage to A16 – Is this matter going to be rectified?
- The development down Peasgate Lane and condition of the road within this vicinity and the Public Footpath nearby, walkers seem now to prefer to ignore this area and go elsewhere.
- Rubbish being burned at the Windmill all weekend
- Following road maintenance Main Road, a road-sweeper went up the drive of no. 8 and took off its surface .

6. OTHER PARISH MATTERS

a. Highways

i. **Double yellow lines on corners of Main Road/Chapel Lane, Toynton All Saints**

A resident has been parking adjacent to the noticeboard which is an accident waiting to happen especially as this is also opposite driveways and near to Chapel Lane's junction and as the Main Road is used by several large vehicles this area is not suitable for constant parking there.

The clerk was asked to chase and see if and when this agenda item is being reassessed.

b. Planning

The following planning applications had been received since the last meeting which were circulated among the planning forum for their observations:

i. **S/185/00297/21 – Siting of a log cabin for holiday accommodation existing cabin outbuildings and sheds on site to be removed, Log Cabin, Land north of Peasgate Lane, Toynton All Saints**

This application was discussed and despite alterations the status was to still object as reasons per previous application.

ii. **S/185/00334/21 – Extension to existing house to provide an enlarged garage and store with first floor sitting room and bedroom with en-suite over and including the provision of 2no. dormer windows – Carrabou House, Main Road, Toynton All Saints**

This application was discussed and looking at the plans it looks as if this is a separate dwelling with no access from the main property. Concerns were raised that it would be used as a holiday let.

iii. **Report on any Planning Application information and/or Decisions**

No other Planning Application information or decisions have been received.

iii. **Local Plan Consultation**

The consultation papers had previously been circulated to the Parish Councillors to view. This matter was discussed, and one resolution was that more power of a "Yes or NO" within our own area being that this smaller authority has more validated knowledge of what the village needs and wants.

c. Parish Matters
