LCC Cllr Bowkett reported the following:

- Finally, 2021 is here, 2020 was a long tough year for everyone, especially for those living alone and being isolated for most of the year, and unfortunately 2021 has found us in the same position, the message of staying at home and keeping safe must be followed.
- The Covid Vaccine for the Toynton area is Spilsby Franklin Hall. Residents will be contacted with a date to attend and anyone unable to attend due to being housebound will still be able to have a vaccination with the new vaccines that are being made available but will take a little longer. Every adult will be offered the vaccine during 2021 and hopefully as many as possible will take the offer up.
- Please remember to call 111 if you have an urgent medical problem, they will offer you advice on where to get treated safely and effectively, not forgetting if it is life threatening then call 999.
- Parents who have paid for school transport will be offered a 40% refund.
- Test and trace support payments are still available to support residents and their families if they have to isolate.
- Spoken with Highways regarding the double yellow lines. This was previously assessed and after speaking with residents they were informed that this was no longer required but not contacted the Parish Council to confirm this, therefore will get them to reassess this after lockdown.

- The County Council are working with Toynton All Saints Primary School's new head teacher regarding plans and ideas for getting the children to the school safer.
